All unapproved items **will immediately** be discarded (eligible items will be donated to the local food bank). If the items do not fit in a gallon size baggie your student will choose which items they would like, and the **excess will be discarded** immediately.

The holiday dates for candy are: ***Valentines, Easter/Passover, Christmas /Hanukkah and the student's birthday. Any treats sent other than those days will be donated. No exceptions!***

These are also care package days for families to send their student fun things. The only items that should be sent year round are **absolute necessities**. Such as socks or hygiene items (if your student does not like what we supply). However, please **do not** send multiple bottles of hygiene products at the same time. For example 4 bottles of body wash, 4 shampoo and 4 conditioner. We do not have the storage space. Your cooperation is greatly appreciated.

These in between packages need to get approval through the therapist and the therapist will consult with the Program Director, so she is aware of what is coming in the mail.

Some suggested gift items on care package days are:

Journals (no spiral binding or elastic components)
